

# Surrey Christian Singles

Surrey Christian Singles is a local group of single Christians who meet up on a regular basis, to enjoy parties, social activities, and visits to a wide variety of places and to make friendships. We welcome new members who are already Christians and also people who are not Christians but come along as guests of current members.

- connecting single Christians
- building relationships
- enjoying shared events

The Surrey Christian Singles Committee is run by a group of volunteers and therefore we do not charge an annual subscription fee but we sometimes may make a profit on an event to give money to charity and also to cover our administration costs, e.g. web site hosting.
